# Your amazing journey

## Worksheet

## Instructions

The aim of this activity is for you to think about your own journey to school.

1. Think about your usual journey to school.
  - What mode of transport do you use?
  - How long does it take?
  - What do you see along the way?
2. Draw a picture to sum up how your journey makes you feel, thinking about both the MOST amazing parts and the LEAST amazing parts.
3. Write down why you either like or dislike your journey.

Draw your picture summing up how your journey makes you feel here, or on a separate piece of paper:

A large, empty rectangular box with a thin grey border, intended for the student to draw their picture of their journey to school.
